Dear Parents/Carers

BELL TIME CHANGES- SURVEY FEEDBACK

We are asking for your feedback in regards to the bell time changes that were implemented in February 12 2018. Some of the reasons why this change was made were to keep in line with schools in our community and to assist with parents that needed to go to work early. Now all students are supervised from 8:30am until the bell rings at 9:00am for classes to begin.

We would like your feedback. Please complete the short survey below and return it to the school by Friday 29 June 2018.

Regards

Ms Kavallaris
