Dear Parents/Carers

BELL TIME CHANGES **Effective from Monday 12 February 2018**

For many months we have noticed as a staff that many students are arriving earlier and earlier at school. In keeping in line with schools in our surrounding area and to assist parents that need to start work early, we will be trialling changing our bell times **as of Monday 12 February 2018 from 8:30 – 3:00pm.**

Students can be at school from 8:30am and classes will resume at 9:00am. This is a minor change of ten minutes, however, we do feel that this will benefit many of our parents in the community.

As of Monday 12 February 2018 our bell times will be from 8:30 – 3:00pm.

Students can be dropped off at school at 8:30am. Parents will be able to pick up the students at 3:00pm. This will not affect any other element of our school routine. Lunch and recess bells will remain the same.

It is our intention to review this change at the beginning of Term 3. Children that are catching the bus will still be supervised as normal until the bus arrives.

Please remember that Out of Hours School Care is also available with the neighbouring pre-schools that are able to pick up and drop students off at 8:30am. If you need further details in regards to these facilities please contact our friendly ladies in the office and they will be able to assist you.

Thank you for your advance support in this matter.

Regards

Ms Kavallaris
Principal
