Cyberbullying and Blackmail

Dear Parents and Carers,

Years 5 and 6 will be participating in a free virtual classroom session on **Cyberbullying and Blackmail- How to speak up and stay safe**. The session will be held at 2.00pm on **Tuesday September 10th, 2018**. The session supports **National Child Protection Week** by helping students understand the part they can play in creating a safer online community for everyone. The students will follow the story of a group of students as they navigate trust in online friendships and learn to respect the values and rights of others online. Students will:

- examine values accepted and enacted within various communities
- monitor consistency between rights and responsibilities when interacting face-to-face or through social media.

The session will be run in the library and students will be supervised by Mrs Sutherland and Mr Elvis. **If you DO NOT wish your child to attend the virtual classroom session, please indicate by returning the following slip.**

Note: Please only return the slip if you do not want your child to participate.

Thankyou,
