GETTING INVOLVED

Our Parents and Citizens Association (P&C) brings the school community together.

Parents, teachers and community members all work together to help meet the needs of the school community and to contribute suggestions and help in making the decisions that will benefit the whole school.

The P&C work hard in raising funds that help finance improvements to our school and provide additional resources. This year so far the P&C have paid for the whole school Athletics subscription and also paid for the bus for the swimming carnival.
