Volunteers!

Thank you for the contribution you make in donating your time to the school. Without a canteen the students would be the ones missing out! Let's keep it strong!

We are seeking additional canteen volunteers for Wednesdays, Thursdays and Fridays. If you can help on any of these dates please contact Renee Hayter on 0412 250 172 or email renee.hayter@hotmail.com

*Thank
you*

Thanks to Kerrie Holloway for all her efforts with the position of Canteen Coordinator that she has filled and has changed our canteen beyond our expectations. She has done a wonderful job, we cannot thank her enough. Also a big cheer out goes to her for obtaining a successful grant for the new equipment at the canteen.

This has made a significant difference to everyone who volunteers their time to the canteen. Unfortunately Kerrie is moving on and we are going to miss her terribly. We thank her for everything she has done to help our little school.

Thankfully Renee Hayter is happy to step up and take on the role of Canteen Coordinator. Please everyone give her your full support as she also works a full time job and is filling in this position to make sure that our canteen stays open. She is open for any suggestion or changes that you think would help our canteen. Her contact detail are Mobile: 0412 250 172 or email renee.hayter@hotmail.com If she does not answer as she is a shift worker, please leave a message and she will contact you back as soon as she can.

The Thursday specials have been successful and will be continued. If you have ideas for specials on your day, Renee would love this to be offered to the students, so please let her know.

Current volunteers and new volunteers: If orientation has not been provided to you please see Renee, her details are above. Also all volunteers need to provide 100 points of ID to the office and sign a declaration for volunteers.

Renee would like to thank you for your current service and continued support for the school. In case you are not aware, please make yourself a lunch and complimentary drink as a thank you. If your situation changes and you are not able to do your volunteer shift, please let Renee know so she can make alternative arrangements.

As the canteen is manned by volunteers please note that no authority can be given to anyone for canteen credit. Please do not put any of the volunteers in an uncomfortable position by requesting credit for lunch ordering and over the counter sales. All students must pay for any items taken from canteen at time of purchase. No exceptions - thank you. Remember, all profits are returned to the school, which benefits each and every student.

Uniforms: As previously indicated via a newsletter, all Pre-orders and Pre-payments are to be directed to the school office, including second hand items. Order forms are to be taken up to the office with correct money. Please request item and size applicable, new and or second hand items if requested will be sourced. (Seconds pending availability). If you pay online for the uniforms please eft to the following account and provide the office with your receipt number and the office ladies will fill your order:

BSB: 112-879

ACC: 437 600 762

As the uniform shop is run by the P&C, please note all payments for uniforms must be credited to their account (not the school website payment tab).

Building a stronger community by working together!

Yours sincerely
