Wednesday 31 January 2018

Dear Parents/Carers,

Kentlyn Public School utilises services offered by third party web and cloud based providers. These services enhance student learning, school administration and communication. This year Kentlyn Public School will be using the following service providers which require access to limited personal information about students and their parent/s caregiver/s.

These third party providers are links and services that many schools use all across Australia.

Third party service providers	Services
Mathletics	http://static.3plearning.com/mathletics/www/PrivacyPolicy.pdf
Reading Eggs	https://readingeggs.com.au/about/
Edmodo	https://www.edmodo.com/corporate/privacy-policy
Class Dojo	https://www.classdojo.com/#LearnMore
Literacy Pro	http://au.scholastic.com/en/literacy-pro
Studyladder	https://www.studyladder.com.au/about/about-us

These services all require the school or student provide some student personal information to enable access to their service. At times schools may also be asked to provide student health information or personal information about parents/carers such as that provided at the time of enrolment. Third party service providers store this information in a location outside the Department of Education. In some cases the information may be stored in another state or off-shore.

Kentlyn Public School is seeking your consent to disclose to these service providers the student and parent/caregiver information required to access their services. You can find out more about the service providers and their privacy policies by accessing the links. If you require further clarification about these services you can contact Ms Kavallaris on 46282455.

Please complete the attached consent form and return to your child's teacher by **Friday 9 February 2018**.

Regards

Androula Kavallaris
Principal

Kentlyn Public School - Consent to use third party web and cloud based service providers

Please return to your child's teacher by **Friday 9 February 2018**.
