Dear Parents/Carers,

Police Youth Liaison Officer Visit

On Tuesday, July 24th, Stage 3 students will participate in a presentation by our local School Police Youth Liaison Officer. This presentation will look at issues such as cyber safety, bullying and community responsibility. The intention is to provide students with strategies to support online safety and to assist them to understand their rights and responsibilities as they move into their teenage years.

Understanding how to manage social media responsibly and how to protect identity online are key elements of our personal development curriculum. This presentation will support us in addressing these outcomes.

Due to the mature nature of the presentation, only students in Years 5 and 6 will participate. If you have any questions or concerns, please don't hesitate to contact Mrs McPhee. If you would prefer your child **not to participate**, please complete and return the slip below to the office.
