Tuesday 6 November 2018

Dear Parents/Carers

## Promotional Video - Tuesday 13 November 2018

On Tuesday 13 November 2018 we have organised the professional services of a video maker/designer to create a promotional video for our school.

The promotional video will be filming students throughout the day going about the business of learning. It is our intention to use this video across all mediums to promote our school across the broader community. In creating this video we will also be using a drone to take aerial pictures of our school and students playing in the playground. The video footage may take several days to complete.

Our main theme for the video and future branding of Kentlyn Public School is “*Together We Can*”. With this message we are promoting how as a whole school community we are working with students, staff, parents, outside agencies, community of schools such as pre-schools, Ruse Public School and Leumeah High School to achieve the best results for our students.

**If you do not wish for your child** to be filmed please return the note below to Ms Kavallaris by Friday 9 November 2018.

Thank you in advance

Androula Kavallaris  
Principal
