Dear Parents/Carers

Shared Spaces Initiative

Schools are the heart of our communities and already offer a range of quality recreational and play facilities. Over the coming school holidays, the NSW Department of Education is trialling a program at around 120 schools across the state which will open up school playgrounds, ovals and sports fields for the whole community to enjoy.

Our school will be participating in the program during these school holidays. We will be providing access to our tennis court enclosed area which comprises of one tennis court and a netball court.

The gates will be open from Monday 9 July until Friday 20 July 2018 between 8am and 5pm. A security guard will be in place to monitor safety and security all day. Gates will be locked at closing time each evening.

Share Our Space

Your school is a vital part of our community, and we want you to use it. During these upcoming holidays participating schools across NSW will be opening up their play areas for your enjoyment.
