Dear Parents/Carers,

School Swimming and Water Safety Program - Gordon Fetterplace Pool (Bradbury Pool)

Monday 15 October – Friday 26 October 2018 (Weeks 1 & 2 of Term 4)

KIND REMINDER – 10 spots remaining

Our School will once again be participating in the School Swimming and Water Safety Program for 2018. This is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. The program is conducted over ten days. Each daily lesson is 45 minutes.

We have availability for 45 students this year. Due to the limited number of spots available, the placements will be saved according to *first in first served preference*. All students from grades 2 -6 are invited to attend.

We are very fortunate once again this year that our fantastic P&C are paying for the total amount of the bus fee so that more students are able to attend. The bus fee is a total of \$3,500. This is another great example of how all your fundraising efforts helps our students.

The only cost that you will incur is the is the pool entry fee which is a total of \$32.00

Notes and money are due in by Friday 14 September 2018.

Students will need to bring a towel, swimming costume, goggles if needed and spare underwear. All students will be required to change out of their wet swimming costumes before they come back to school.

Two teachers/staff members will be supervising the students while at the pool. Swimming lessons will begin at 1:00pm and conclude at 1:45pm. All students will be back at school at approximately 2:30pm. They will be given time to eat their recess and then return back to their class.

Please Note: School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.

Thank you

Androula Kavallaris

Principal

Please return the slip below with payment by Friday 14 September 2018.
