Dear Parents/Carers,

Transition to High School - Community of Schools Visit

Year 6 students from 5/6S have been invited to attend a “*Transition to High School*” day at Leumeah High School on Tuesday 27 November 2018. This is a great opportunity for all students to experience ‘*What a day in a high school would be like*’. One of the aims of this day is for the students to understand that in a high school they will be working with many teachers throughout the day, move from room to room and be responsible for their bag and belongings at all times.

This is also a great opportunity for our students to see first-hand Leumeah High School and all the great opportunities it has to offer. **There is no cost involved for the students as Leumeah High School are kindly providing a mini bus to transport the students. However, a staff member may also need to transport a few students by private transport in order to accommodate all of 5/6S.** A staff member will be supervising the students throughout the day.

Lunch and a snack will be provided on the day. However, if students wish to bring their own lunch as well, that will also be fine.

Students will need to be at school by 8:45am and be dressed in their sports uniform with a school hat and will need a pair of leather shoes to participate in a Technology or Cooking class.

The sessions that 5/6S students might get the opportunity to participate in are 2 or 3 of the following lessons:

- Music
- Sport
- Japanese
- * Art
- * Science
- * Technology
- * Cooking

Notes are due back to Ms Kavallaris by Wednesday 21 November 2018.

Please Note: School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.
