Monday 8 April 2019

Dear Parents/Carers,

4K Moving Classrooms

4K students will be re-located in Block A, (wooden classroom) starting day 1 Term 2. The main reason behind the re-location is to offer 4K extended learning spaces such as the balcony and the smaller reading room for their group work.

The furniture will be moved on Thursday 11 April, however, students will start in their classroom on Tuesday 30 April, first day back in Term 2. On Friday 12 April, 4K students will be working in the RFF classroom.

Thank you for your continued support.

Kind Regards

Kerri-Anne Hamilton
Classroom Teacher

Androula Kavallaris
Principal
