Dear Parents/Carers,

## K-6 Assembly Times- Community Survey

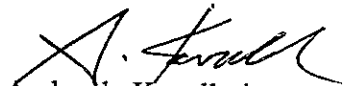

We are considering changing our K-6 Assembly times from Friday 12:30pm to a morning time slot. We are conducting this survey to determine the appropriate need for our whole school community.

After much discussion with the staff, we are recommending that we hold the assemblies from 9:15am – 10:00am on the scheduled Fridays. The reason we are nominating the morning rather than any other time is to cater for our K-2 students who get very tired, especially this time of the year.

We are asking for you to complete the short survey below and return it back to school by **Friday 1 March 2019**.

**Our next assembly will be held on Friday 1 March and until all the survey data is collected, this assembly will be held at 12:30pm to ensure that parents have enough notice to attend.**

Regards

  
Androula Kavallaris  
Principal

OR

2. It suits me better if assemblies remain in the scheduled time of 12:30 - 1:20pm (approximately) on the selected Fridays.
