Friday 22nd February 2019

Dear Parents/Carers and Students,

Combined SRC and School Leaders Fundraising

Our Semester One School Representative Council and School Leaders have taken on the initiative of holding a fundraiser to raise money for our school. The money raised will go towards more efficient recycling bins in our classrooms and/or fencing under the library in order to limit the loss of much need sports equipment.

We would like to acknowledge and thank Woolworths Market Place and Woolworths Campbelltown Mall for their very generous donations of some Nice'N Juicy Freeze Pops and Quelch Fruit Juice Icy Tubes.

Starting from Monday 25th February 2019 our SRC and School Leaders will be selling Nice'N Juicy Freeze Pops and Quelch Fruit Juice Icy Tubes during lunch time on Mondays and Tuesdays up until and including Week 10, Tuesday 2nd April 2019.

Students will be able to purchase half a Nice'N Juicy Freeze Pops or Quelch Fruit Juice Icy Tubes for 50c and a whole one for \$1.00.

We look forward to your support in helping our SRC and School Leaders raise much needed funds for our school.

Miss Frances Hagedoorn
Class Teacher

Selena McPhee
Deputy Principal
