

We need your help!

Our school relies on the help of parents, grandparents and community volunteers. We desperately need help to keep our school canteen operating. Currently we are trying to keep our canteen open Wednesday to Friday. Sadly, our wonderful canteen coordinator is relocating and we need urgent support.

We are looking for volunteers who can assist in any of the following ways:

- Working a set shift in the school canteen one day a week (more if you are really keen!)
- Joining a list of volunteers who can be called on a casual basis to fill a shift when someone is unable to make it.

Working in the canteen involves preparing food and serving at the counter (you may be comfortable with one or both of these roles.)

If you have a passion for cooking, come in and help us prepare some healthy meals and snacks for our students.

If you are a people person, come in and serve our friendly students.

If you are unable to help, you may know of a friend or relative who is looking to help in the community. Helping kids in a friendly, supportive environment is very rewarding!

All money raised in the canteen goes directly to the school to support your children. Without a canteen, the cost of excursions will rise as the canteen proceeds currently subsidise all school buses for extra curricular activities, in addition to many other projects.

Canteen shifts are from 9– 12!!! If you can spare 3 hours a week, it may make the difference between keeping our canteen open or losing this valuable service.

Please contact Karen Macey at the school office on 46282455 if you can help.

We look forward to hearing from you!
