Dear Parents/Carers,

## Share Our Space Initiative - Tennis Courts

I'm writing to inform our whole school community that our school **has not been selected** as one of the schools to participate in the July school holiday Share our Space Program this term. Our tennis courts will not be open throughout the July school holidays.

The Department is currently introducing rigorous criteria in assessing each playground and facilities that are offered, due to the extensive cost of providing security for each of the schools to ensure that spaces and families are safe and secure at all times.

Each school is notified at the end of each term on whether their playground will be open in the holidays.

Thank you for your continued support.

Regards

Androula Kavallaris
