Dear Parents and Carers,

School Swimming and Water Safety Program - Gordon Fetterplace Pool (Bradbury Pool)

Monday 16 Sept – Friday 27 Sept 2019 (Weeks 9 & 10 of Term 3)

Our School will once again be participating in the School Swimming and Water Safety Program for 2019. This is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. The program is conducted over ten days. Each daily lesson is 45 minutes. **All students who register will need to be at school by 8:30am for the two weeks as lessons start at 9:15am.**

We have availability for 45 students this year. Due to the limited number of spots available, the placements will be saved according to *first in first served preference*. All students from grades 2 -6 are invited to attend.

We are very fortunate once again this year that our fantastic P&C are subsidising this very worthwhile activity so that more students are able to attend. This is another great example of how all your fundraising efforts helps our students.

The cost for the swim scheme is \$60.00

Notes and money are due in by Friday 9 August 2019.

Students will need to bring a towel, swimming costume, goggles if needed and spare underwear. All students will be required to change out of their wet swimming costumes before they come back to school.

Two teachers/staff members will be supervising the students while at the pool. Swimming lessons will begin at 9:15am to 10:00am. All students will be back at school at approximately 10:30am.

***Please Note:* School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.**

Thank you

Selena McPhee

Principal

Please return the slip below with payment by Friday 9 August 2019.
