ICAS Assessments

Dear Parents/Carers,

Students in Years 2-6 are invited to participate in the 2019 International Competitions and Assessment (ICAS). The competitions are conducted each year by Educational Assessment Australia, an organisation of the University of NSW. This year, Educational Assessment Australia has made significant changes to the process of registration, payment and delivery of the ICAS assessments. ICAS assessments, with the exception of Writing for Years 3 and 4, will be in an online, digital format. Students will be able to participate in the following competitions:

Competition

Digital Technologies

Science

Writing

Spelling

English

Mathematics

The Parent Payment System is a simple and secure online payment service specifically for parents to purchase ICAS Assessments. Parents can access this service by typing unsw.global/parentpay into a browser. You will require a unique access code to purchase assessments that have been registered by the school.

Kentlyn access code is: ba66e9d731

Please note that online payments will close on 14 August 2019.

Students from all year 2-6 classes are invited to take part, however, you may wish to discuss your child's participation with their class teacher. If you have any queries regarding the ICAS Assessments please contact Mr. Elvis on 02 4628 2455.

Regards,

Andrew Elvis
Classroom Teacher
