SCHOOL PHOTOS - THURSDAY 12 SEPTEMBER 2019

Dear Parents and Carers,

School Photos this year will be taken on Thursday 12 September 2019.

Pre-Paid envelopes have been sent home today. Every child needs an individual envelope. You may pay for other family members in one envelope (please mark clearly on all other envelopes which envelope contains payment), however, each member of your family will still need an individual envelope.

Family photo envelopes have been handed out to the eldest child today.

PLEASE ENCLOSE THE CORRECT MONEY as no change will be given. The school does not handle the money for this event. Please calculate the correct amount of your order and place the cash in the envelope. Cheques are not accepted.

The ability to pay online is also available. Please see your child's envelope for further information. Please note that if you do pay online you must still return the envelope to the office with the reference number recorded.

ALL STUDENTS MUST WEAR FULL SCHOOL UNIFORM.

The children may wear a school jumper to school, but will be encouraged to take it off during the school photo session only, and then place it back on again after the photo.

Thank you

Androula Kavallaris
Principal
