Dear Parents/Carers,

School temporarily ceasing operations for Tuesday 12 November 2019

I am writing to inform you the Rural Fire Service have requested that our school will not operate tomorrow to ensure the safety of students and staff. As our school has been identified as a school at increased risk if a bushfire were to break out based on 'Catastrophic Fire Danger' ratings for our area.

This means there will be no staff on site tomorrow and we would like you to please make appropriate arrangements for your child.

It is important that you have appropriate supervision in place and that children are not left at home alone in case there is fire activity in your local area.

Regular updates will be posted on the Department's website <https://education.nsw.gov.au/>, our SKOOLBAG APP and website to advise the status of our schools' operation.

We will recommence operations on Wednesday 13 November 2019 unless advised differently.

Please contact the school on 02 46282455 if you would like any further information about this matter.

We understand that this is short notice and we thank you in advance for your support with this matter.

Regards

Androula Kavallaris
Principal
