Dear Parent/Carer

Dino Dig Excursion

This term, students from Stage One are studying Dinosaurs as part of an integrated unit across a number of Key Learning Areas. As part of this unit, Kentlyn students have been invited to attend a discovery day, to take part in a range of activities to support their learning on Friday 8th November.

The presentation will be held at Ruse Public School and students will be transported to and from the event by minibus and or private transport by a staff member. Students will be leaving school at 9:00am and expected to return to Kentlyn Public School before 3:00pm. There is no cost for this excursion.

We would be grateful if you could sign and return the approval form below to your child's classroom teacher or to the school office. If you require further details please contact Mr. Elvis on (02) 4628 2455.

Yours sincerely,

Andrew Elvis
