Dear Parents/Carers,

Transition to High School - Community of Schools Visit
Thursday 5 December 2019

Year 5 students from 5/6H and 5/6R have been invited to attend a "Transition to High School" day at Leumeah High School on Thursday 5 December 2019. This is a great opportunity for all students to experience 'What a day in a high school would be like'. One of the aims of this day is for the students to understand that in a high school they will be working with many teachers throughout the day, move from room to room and be responsible for their bag and belongings at all times.

This is also a great opportunity for our students to see first-hand Leumeah High School and all the great opportunities it has to offer. **There is no cost involved for the students. We will be travelling there and back using Ruse Public School's mini bus. However, a staff member may also need to transport a few students by private transport in order to accommodate all of our Year 5 students.** A staff member will be supervising the students throughout the day.

Lunch and a snack will be provided on the day. However, if students wish to bring their own lunch as well, that will also be fine. **Students will need to be at school by 8:45am and be dressed in their sports uniform with a school hat.**

Some of the sessions that might be offered are:

- Music
- Sport
- Japanese
- * Art
- * Science
- * Technology
- * Cooking

Please note that students will participate in either two or three of the lessons above.

Notes are due back to the office by Friday 22 November 2019

Please Note: School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.
