Dear Parent / Carer,

## Canteen Update

A very big thank you to all our parent volunteers for getting our canteen up and going again. It was not the easiest of weeks, however, I am proud to say that it went very well 😊

**All our students are very appreciative of the organisation as well as the parents and teachers that are assisting them every morning to put their lunch orders in.**

Please note that starting next week, **you can order your child's lunch by using the original 'lunch bag method'**. (The way you used to order it)

Teachers will continue to assist students to order their lunch, and they will organise for the money to be delivered to the canteen by a staff member.

**We also heard how disappointed students were not to have the option of ordering a milkshake and have a slurpy, so we updated our menu to include them as well, starting next week.**

Milkshakes - \$1.50      please remember to tell us what flavour  
And  
Slurpies - \$1.50      please remember to tell us what flavour

Thank you for your continued support 😊

Regards

*Androula Kavallaris*
