Week 8 – Learning from Home Packs

Dear Parents/Carers,

I hope you are all well and had a great weekend. Our school, like all schools in Campbelltown network, will be following the staggered return guidelines, as per the Premier's announcement, on Monday 25th October 2021 if we are no longer in an LGA of concern. I know that we are all hoping that this is the case and we start the staggered return back to our great school KPS 😊

Please visit the website below for further information.

Thank you once again for your continued support in keeping your children at home and assisting us with the completion of the 'learning at home' packs for Week 7. **We all appreciate the time and effort you are putting in assisting your child/ren.**

Feedback we are getting from all of you has been extremely positive. Many parents have told us that they are happy with the 'learning at home packs' and how we are there supporting our students and looking after their wellbeing. Thank you 😊

I would also once again like to acknowledge and thank all my staff for their dedication and commitment to catering for all our students. I am truly blessed to have such dedicated and supportive staff 😊.

Week 8 'Home Learning Packs' are ready to be picked up once again. *Our Covid safe practices have been very successful in terms of the collection of the booklets.* **Student booklets can be picked up from the front office gate from 10:00am on Monday 30 August 2021.** Our Covid safe plan mandates **that parents do not get out of their vehicles.** Like last week, please drive up to the front office gate from 10:00am onwards and we will be there to give you your child's pack. **If the gate is not manned, please call the school and we will come out to you.** Please remember that if you need to pick up the booklet after 3:30pm on Monday to call the school and let us know, so we can make appropriate arrangements.

Please also remember that *for your child to be marked as "F" (flexible learning- which is the same as being present at school) we will need to see some evidence of them completing the schoolwork set.* We kindly ask **that once worksheets are completed to post them on your child's seesaw for the teachers to mark and give feedback.** If your child is completing work through 'google classroom' or on the seesaw app, their attendance will be automatically marked as 'F'. Thank you for your continued support.
