Dear Parents/Carers,

After school extra-curricular activities Term 4 – UPDATE

Thank you to all the parents that have enrolled their child/ren into various after school activities. *I have been informed today by the Pilot Team that there are still vacancies with some of the activities. After much discussion, they have decided to leave the enrolment process open until Friday 28 October 2022 to ensure that all parents/carers have had an opportunity to enrol their child.*

Please note that as activities reach their maximum enrolments the links will be removed from the website. **All our extra-curricular activities will begin this Monday 17 October at 3:30pm.** The procedures will be exactly the same as last term. All students will be supervised by a staff member until the providers come to collect them. Please ensure that you are at school to collect them at 4:45pm. If you are running late for any reason please ensure that you let us know by calling the school or letting the provider know directly. The rooms for each activity is listed below. Providers will be asking you to sign out your children as you are picking them up.
