Dear Parents/Carers

Education Week – Open Day – All parents invited to attend Thursday 4 August 2022

All parents/carers are invited to attend our open day celebrations on Thursday 4 August 2022. As per our departmental guideline and weather forecasts, we are ensuring that most activities are held outdoors. We also courteously ask, although not compulsory, that with any indoor activities you wear a mask, to ensure the safety of our whole school community. Thank you in advance for your support regarding this matter.

Events include:

10:15 – 11:00 3-6 Assembly (To be held in the library. **Parents of participating students welcome**)
- Premier's Spelling Bee finals
- Multicultural Public Speaking Finalists to present their speeches.

11:00 – 11:30 **Picnic Lunch Open Day - all parents are welcome to attend.**

Parents and students are welcome to pre-order their lunch from our school canteen. Please see attached note on how to pre-order and pay.

11:30 – 12:45 During our extended lunch break, parents and students are free to participate in our "Learner Qualities" stations that our great teachers have set up.

The Learning Pit – Research behind our Learner Qualities and encouraging our students to support a culture of challenge, curiosity, reflection and resilience.

The Learning Pit encourages students to step out of their comfort zone. It was created by James Nottingham (2007) to support a culture of challenge, curiosity, reflection and resilience.

We all know that most of our learning can take place when we step out of our comfort zone. However, many of us are hesitant to take this step for fear of making mistakes or revealing our weaknesses. We use the Learning Pit in our learning to encourage our students that taking risks, asking questions, and trying new things can help them develop their abilities and deepen their understanding.
