### K-6 ATHLETICS CARNIVAL 2022

Dear Parents/Carers,

This year, Kentlyn Public School will be holding our Athletics Carnival in conjunction with Ruse Public School at Campbelltown Sports Stadium. Unfortunately, the Kentlyn sports field is not able to be used for the event as it is wet and uneven after all the rain we have had this year. Whilst we are sharing the venue and facilities, each school will compete separately and award their own placings. House points will also be collected to determine our champion house - Campbell (red) or Macarthur (green).

The athletics carnival will be for all students K-6. Students younger than 8 years old will participate in track, field and novelty events. Students in years 2-6 (who are 8 and older) will be competing to qualify for the zone athletics carnival. For track events, qualification is based on placing. However, for field events students must achieve qualifying distances using appropriate technique to progress to the zone athletics carnival.
