KENTLYN CORNER STORE

Tuesday 6th September, 2022

Dear Parents/Caregivers,

This term in mathematics, all of our classes have been working on an integrated unit of work built around establishing and operating a shop in the 'Kentlyn Corner Store'. On Tuesday 6th September, the Kentlyn Corner Store will come to life as a culminating activity for the unit where each class will sell their product, work with money and collect data to complete the unit of work.

The Kentlyn Corner Store will operate between 11:00 - 12:00 as an extended lunch. Students are asked to make a **gold coin donation** on the day and will be given a bag of play money to spend in the shops. All students will have the same amount of play money allowing them to purchase from each of the shops.

The Kentlyn Corner Store will include the following shops:

- KE - Smarties fun size packs
- 1/2A - Mentos mini packs
- 2/3M - Juice in assorted flavours
- 3/4D - Jelly cups in assorted flavours
- 5/6B - Ice cream cups in assorted flavours with a selection of toppings.

Thank you for your support with engaging our students in their learning.

Kind Regards,

Carol Ward
