Dear Parents and Carers,

School Swimming and Water Safety Program - Gordon Fetterplace Pool (Bradbury Pool)

Monday 15 August until Friday 26 August 2022 (Weeks 5 & 6 of Term 3)

Arrangements have been made for our school to participate in the School Swimming and Water Safety Program for 2022. I know that we came very close to participating in this program last year, however, needed to cancel due to the Covid-19 lockdowns and DoE guidelines at the time. I am pleased to announce that the students that paid last year will be the first students to be considered for the Swimming and Water Safety Program. We are very confident that we will be able to accommodate all students that wish to attend ☺

The Swimming and Water Safety Program is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. All students from Year 2 to Year 6 are invited to attend. The program is conducted over ten days. Each daily lesson is 45 minutes.

We have availability for 56 students in total. Due to the limited number of spots available, the placements will be saved according to *first in first served preference*.

We are very fortunate once again this year that our fantastic P&C are paying for the total fee of the bus to transport students there and back at a total of \$4,000. This is a substantial amount, and we are forever grateful as this will allow more students to attend. This is another great example of how all your fundraising efforts helps our students.

The cost for the swim scheme is \$45.00 (This is only to cover pool entry for the 10 days)

Notes and money are due in by Wednesday 27 July 2022

If your child has paid for this in 2021 you will receive a note with your child's name on it and that you will be required to pay the left-over amount of \$10.00 (The total fee last year was \$35.00), sign the note and return to the office before Wednesday 27 July 2022.

OR

If you would like your child to attend, please complete the attached return slip with the \$45.00 fee and return to the office before Wednesday 27 July 2022.

Students will need to bring a towel, swimming costume, goggles if needed and spare underwear. All students will be required to change out of their wet swimming costumes before they come back to school.

Two teachers/staff members will be supervising the students while at the pool. Swimming lessons will begin at 1:00pm and finish at 1:45pm. All students will be back at school at approximately 2:30pm.

Please Note: School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.

Thank you

Androula Kavallaris

Principal

Please return the slip with payment by Wednesday 27 July 2022

School Swimming and Water Safety Program - Gordon Fetterplace Pool (Bradbury Pool)

Monday 15 August until Friday 26 August 2022 (Weeks 5 & 6 of Term 3)

Your child has paid for this event and an extra \$10.00 payment is required to cover the increased fee to enter the pool.

Please complete the permission note below and send to the office.

I hereby give permission for my child _____ of class _____ to attend the School Swimming and Water Safety Program at Fetterplace Pool from Monday 15 August until Friday 26 August 2022. I understand that travel to and from the venues will be by bus and that my child's participation is subject to meeting the expectations outlined above.

In the event of injury or illness, I also authorise (on my behalf) the seeking of such medical assistance that my child may require. Special needs of my child which you should be aware of (eg. allergies, sensory impairment etc) are as follows:
