Dear Parents/Carers

## SPRIGGY SCHOOLS

An online canteen and uniform platform for our whole school community

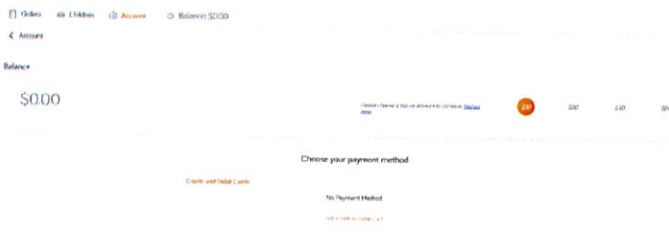

We are pleased to announce that our school canteen and uniform shop are now going online. A very big thank you to Mrs Gligorov for initiating and setting this great service up for our school. Parents/carers have a choice of downloading the Spriggy Schools App or going straight to the Spriggy Schools Website to put their orders in.

<https://www.spriggyschools.com.au/>

### Step 1:

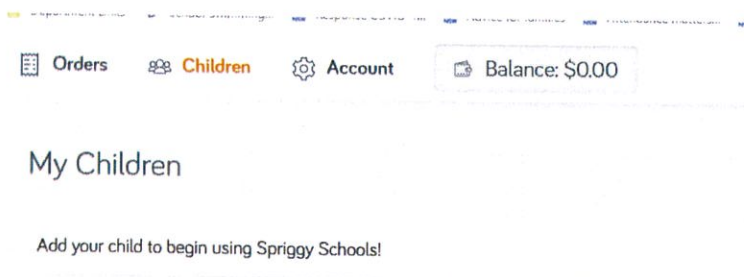

Set up an account

### Step 2:

Add your children in, along with any allergies they may have. There will be drop down boxes to choose Kentlyn as their school & also a list of classes.

### Step 3:

You will have two options, you can either start with transferring money into your account or this can be done later when completing your first order. This works along the same lines as the 'toll accounts' do. You will be

able to view your balance instantly and top up whenever required.

**Step 4:**

Select your child from the drop-down menu and choose **from either uniform shop or canteen** orders. You can order and pay without requiring any cash or change.

**Please note:** Cut off times for lunch **orders will be at 9.05am each day**. So, please make sure you place your lunch orders before then. **You can also order lunches weeks in advance, if you know what your children love!**

With the uniforms, the lovely P&C ladies or ladies in the office, will organise your order and give it to your child to bring home.

For the rest of this term, we will have a blended payment, **both the new online method** and the old traditional way of ordering via the order form and depositing money in the P&C account, for school uniforms and the lunch bag being handed in to the canteen for **lunch orders**.

**Over the counter sales at lunch time will remain cash only and no frozen products will be sold via lunch orders. These are to be purchased over the counter.**

**The uniform app is ready to go.** Some feedback from our school community that have used the app to purchase and pay for new uniforms was that it was 'easy and convenient' 'love it, so easy' and finally 'No cash required, happy with that'.

**The canteen app will be ready to go starting next Wednesday 2 November 2022.**

Thank you for your continued support.
