

# Welcome to Mrs Kaytlyn Macaulay and Thank you to Ms Ward

Mrs Kaytlyn Macaulay was successful in our merit selection process held last year in becoming our full time Assistant Principal, Curriculum and Instruction Leader. Mrs Macaulay was on maternity leave for the last three terms with Ms Carol Ward relieving in her position. Mrs Macaulay is back this term three days a week; Mondays, Wednesdays and Fridays.

***Assistant Principal, Curriculum and Instruction support strong instructional leadership models in classes K-6, coordinating professional learning for teachers, supporting staff to collaboratively plan and optimise learning for all students, monitoring student outcomes, and supporting families to be key partners in student learning.***

Thank you Ms Ward 😊

Ms Ward is to be commended and congratulated with the stellar job that she did in this relieving role. As stated above, this is a very complex role that requires, exceptional curriculum knowledge, many skillsets and high expertise in best classroom practice.

Welcome Mrs Macaulay 😊

Mrs Macaulay is also a stellar practitioner who brings with her exceptional curriculum and classroom knowledge. Like Ms Ward, Mrs Macaulay will be interacting with every classroom, every student and in time with many parents throughout the days to come.

With the collective expertise of our executive we, as a school, will continue to implement a culture that supports meaningful teacher collaboration, observations, co-teaching and planning, reviewing evidence and reflecting on practice.

Ms Ward will continue to relieve as our Assistant Principal Curriculum and Instructions on Tuesdays and Thursdays.

As I always say, I am very blessed to have the great team of staff that I have and the incredible collective knowledge that we share as Kentlyn Public School Staff.

Thank you

Androula Kavallaris

Principal
