Year 2 and 3 Excursion - Wollondilly Heritage Centre

Dear Parents and Carers,

In their semester 1 history unit, students in our year 2 and 3 classes have been learning about change and continuity in family and daily life over time, including significant people, places and events in our local community as well as changes in technology. To conclude the unit, students are invited to participate in an excursion to the Wollondilly Heritage Centre.

The excursion provides children with a hands-on experience of past and present life in Australia as children explore a range of resources used by our pioneers. Activities include:

- Working in a Pioneer Cottage. Children will experience butter making and see how food was cooked and preserved, view a treadle machine and other equipment used by our pioneers
- Laundry methods - washing, starching, soap making, scrubbing boards, water carrying, ironing and mangling
- Grading and packing fruit, chicken farming and egg packing.
- Using hand operated agricultural tools
- Coal mining practices
- Indigenous art activities
- Lesson in a bush school

Date: Thursday 28th July, 2022
Venue: Wollondilly Heritage Centre, The Oaks
