Dear Parents/Carers

PROPOSED CLASSES FOR 2023

Thank you parents for an awesome and stellar year. We all worked together as a whole school community to ensure that all our students were known, valued and cared for. I would like to take this opportunity to thank you once again for your immense support throughout 2022. Our mantra of "**Together We Can**" is our successful formula that allows us to continually improve and climb the ladder of success.

Our last day of school is Friday 16 December 2022. Teachers will be having two pupil free days on Monday 19 and Tuesday 20 December 2022. We will be using this time as professional development and getting ready for 2023.

Staff Changes 2023

- Mr Borst was successful in getting a full-time temporary position at Kemblawarra Public School. I know that Mr Borst will be greatly missed, and we would like to wish him all the very best for 2023.

Mrs Kateryna Moloney, Mrs Susan Shennan and Mrs Emily Kuoppala will be joining our KPS team in 2023. I know that you will join with me and make them feel welcome 😊

Proposed Classes and staffing for 2023

We will be starting the school year with five classes. We will have 117 students.

Please remember that these are proposed classes and teachers. These will be confirmed at the beginning of 2023

2023 Kindergarten students:

A very big welcome to our 22 new kindergarten students. They will be starting 'big school' on Friday 3 February 2023.

Attached is also our "Proposed Classroom Requirements for 2023". These items will not be required until day one of 2023, however, I know some parents like to get prepared and take advantage of the school sale opportunities.

Have a wonderful Christmas and New Year. We are all very excited at the opportunities that 2023 will bring but also for now, very happy to have a break and recharge our batteries 😊

Thank you for your continued support.

Regards
