Years 4-6 Excursion - The Rocks

Dear Parents and Carers,

In their Semester 1 history unit, Stage 2 and 3 students have been learning about Australia as a nation, including significant people, places and events in the establishment and expansion of the colony. To conclude the unit, students are invited to participate in an excursion to The Rocks, Sydney where they will walk in the footsteps and learn the tales of real colonial settlers and explore the secret laneways, buildings and historical sites of The Rocks.

On this guided walking tour, students will explore The Rocks in costume and in character, experiencing life as a convict in the setting where colonial Australia began. Students will also learn about the lives of real people from Australia's colonial past, discover how Australian society changed throughout the twentieth century and examine the everyday life of a variety of men and women who lived in post-1800 colonial settlements.
