Harmony Day 2023

Dear Parents/Carers,

On **Wednesday the 22nd of March**, Kentlyn Public School students will be celebrating Harmony Day.

Harmony Day is a national event that promotes and celebrates cultural diversity. It is an opportunity for our school and wider community to embrace the values of respect, equality and freedom and also promote participation.

Students are invited to wear their cultural dress or wear anything orange, the official Harmony Day colour.

During the day each class will learn about a different language and the countries that speak that language. They will partake in activities such as listening to a bilingual picture book, learning a song in that language or playing a game related to that culture. Students may also be provided with a small sample of food from that culture if they would like to try it. If you would prefer your child to not taste this food, please send the class teacher a Seesaw message. Students will still need to pack/order their lunch as normal on this day.
