School Swimming and Water Safety Program
MACQUARIE FIELDS LEISURE CENTRE

Dear Parents/Carers,

Our school will once again be participating in the School Swimming and Water Safety Program for 2023. Students will be taught the critical life skills of personal safety, survival and rescue in an aquatic setting. We will focus all stroke development on survival swimming rather than freestyle.

Who: Students from Years 2-6 are able to participate. We have availability for a total of 25 students. **Due to the limited number of spots available, the placements will be saved according to first in first served preference.**

Dates: Students will participate in 10 x 45 min lessons, over 10 days-

Term 3, Week 7: 28th August, 2023 - 1st September, 2023

Term 3, Week 8: 4th September, 2023 - 8th September, 2023

Session Times: Lessons will begin at 1:40pm and conclude at 2:25pm. All students will be back at school at approximately 3:00pm.

Location: Macquarie Fields Leisure Centre, Fields Road, Macquarie Fields NSW 2564.

Transport: Transport to and from the pool will be by mini bus or private transport, driven by a KPS staff member or parent/carer. The cost to hire a bus for 10 days was not feasible, so some of the lovely members of our P&C have offered to assist with transport, and we thank them for this!

Cost: \$37 (this covers the pool entry fee for 10 days).

What to bring: Students will need to bring a towel, swimming costume, goggles if needed and spare underwear. All students will be required to change out of their wet swimming costumes before they come back to school.

Please note: School representation and attendance at excursions, special school activities and out of school activities is dependent upon the continued demonstration of appropriate behaviour and an appropriate attitude in all aspects of school life.

Mrs Harris
R/Principal
