Monday 12 October 2002

Dear Parents/Carers,

Year 3 Check-in-Assessment- Friday 16 October 2020

The Check-in assessment is an online reading and numeracy assessment for students in Years 3 and 5. Our Year 5 students participated in this assessment task last term.

This assessment will supplement existing school practices to identify how students are performing in literacy and numeracy and to help their teacher to tailor their teaching more specifically to student needs. The assessments are mapped to the NSW Syllabuses and National Literacy and Numeracy Learning Progressions.

The assessment will only focus on reading and numeracy. Each assessment is designed to be quick and easy to administer, consisting of approximately 40 multiple choice questions. All students can have extra time if required to complete the questions.

Year 3 students will require to bring their own headphones.

Our Year 3 students will engage in this assessment on Friday 16 October 2020. Ms Rogers will be administering the assessment in the morning.

Thank you for your continued support.

Regards

Androula Kavallaris
