Dear Parents/Carers

## Year 4 and Year 6 Check-In Assessments

Year 4 and Year 6 students will participate in a new reading and numeracy Check-In Assessment on **Monday 26<sup>th</sup> and Tuesday 27<sup>th</sup> of April 2021**. The Check-In Assessments are new mandatory NSW Department of Education online reading and numeracy assessments that support schools to assess and monitor Year 4 and Year 6 students' learning. The Check-In Assessments supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to students' needs.

Students with a disability may receive the same level of support during the assessment that they would normally receive in the classroom.

The school will provide headphones for students to use during these assessments. Alternatively, your child can bring their own headphones if they would prefer to use them. The type of computer connection needed is a jack or USB.

If you would like any further information about the Check-In Assessments, please contact Mrs Harris.

Yours sincerely,

Sarah Harris  
Assistant Principal
